Ensure good ventilation of the work station.

**Personal protection equipment**
**Personal protective equipment:**

Wear recommended personal protective equipment.

**Eye and face protection**
**Eye protection:**

Not required under suitable use as setting the ink on the printer. However, in case of direct contact to the ink, wear EN166 approved safety glasses or chemical splash goggles.

**Skin protection**
**Skin and body protection:**

Not required under suitable use as setting the ink on the printer. However, in case of direct contact to the ink, wear protective clothing.
